MOPLS ID: 58316

Price: \$60,000

Acres: 12

County: Lucas

Farm and Ag

Hunting Property

12 +/- Acres For Sale in Lucas County, IA. This property could be used for a great building lot or a very nice smaller recreational farm! There is no shortage of whitetail deer and turkeys in the area and small tracts like this don't come around often. Less than 1 hour from Des Moines and only around 30 minutes to Osceola, this would be a great spot for a weekend hideaway!
