Must See in person to appreciate the size of this 1 Story 4 Bedroom 3 bathroom home! Nestled on 2.86 acres overlooking the cedar golf course this acreage has room for it all!!! Almost every room is remodel including all 3 full bathrooms with extra love in the master bathroom, which includes subway tiling. Every bedroom is spacious as well as 3 different living rooms/entertainment areas. Pool table is staying so your down stairs entertainment area is already started plus the previous owners even installed a wet bar! Home is located in the county so taxes are a lot less expensive with the connivence of Ottumwa only 10mins away. Great location and very nice house.
