Farm and Ag

Hunting Property

Check out this 43 acre parcel and cabin located right off of HWY 5 just north of Centerville. There is not another piece of ground in the area that has been maintained like this one. Trails have been cut throughout the entire property which makes accessing any part of it a breeze. Cozy off the grid cabin makes this acreage an excellent hunting or camping site. The property borders the Chartion river for fishing or kayaking. A lot of mature timber is situated on the property which consist of walnuts and white oak trees. Whether you are looking for a hunting property, camping site, family get away or trying too escape all the craziness of 2020 this acreage might just be the right place for you.
